(d) if so, the details thereof alongwith the vehicles exempted from it?

Answer

THE MINISTER OF STATE IN THE MINISTRY OF SHIPPING, ROAD TRANSPORT AND HIGHWAYS (SHRI K.H.MUNIYAPPA)

(a) & (b): With a view to inducting information technology in Road Transport Sector through issuance of Driving Licence and Registration Certificate in Smart Card mode, the Government has already developed a software and made it available to all States/U.Ts. free of cost. Computerisation of the offices of R.T.Os in the country is an essential pre-requisite for this purpose. There is, however, no proposal to introduce zonal permit/uniform registration series for transport vehicles across the country.

(c): No, Sir.

(d): Does not arise in view of (c) above.
